

# THE POWER OF GREEN

## **AGRICULTURE: MICHIGAN'S SECOND-LARGEST INDUSTRY.**

Agriculture and food processing employ more than one million Michigan residents.

It all adds up to a \$60 billion industry, and a growing one.

From fresh food on your family's table to the renewable energy of ethanol and biodiesel, Michigan's agriculture producers are hard at work—building a stronger, cleaner Michigan.

**MICHIGAN'S FARMS. MICHIGAN'S FUTURE.**
